Families are liable for debt collection recovery fees and charges on all unpaid outstanding fees. Direct Debit, Credit Card or Cheque payments which are declined by the bank will attract an administration fee of \$33. The College is entitled to withhold a student from re-entering classes in a new Term where One Term's Fees remain outstanding. The College is entitled to withhold a student from attending Camps where there are unpaid outstanding fees.

Families experiencing temporary difficulty in paying College fees - please contact the Accounts Office immediately. Please note the College will request evidence (eg. recent bank statements, tax returns) to inform temporary fee payment plan discussions. Please note temporary fee payment plans expire at the end of each calendar year.

Parents are responsible for payment for avoidable breakages or damage to school property caused by their child.

Parents are required to give one full term notice of withdrawal of their children from Australis Christian College. Failure to do so will render them liable to pay 25% of their annual tuition fee.
